---

## Summary

---

I am a final-year B.Sc. Computer Science (Cybersecurity) student with a strong foundation in programming and a keen interest in cybersecurity. During my internship at Laya Tech Pvt. Ltd., I gained hands-on experience in identifying and mitigating cyber threats. I am proficient in C, C++, Java, and have a growing passion for UI/UX design. I am actively seeking opportunities to apply my skills and continue learning in a dynamic professional environment.

## Experience

---

### 8Queens Software Technology | Chennai, Tamilnadu

#### Internship Student | 05/2025 - 06/2025

During my **Software Testing Internship at 8 Queens Technology**, I gained hands-on experience in ensuring the quality and reliability of web and mobile applications. I was involved in preparing and executing detailed test cases and test scenarios, identifying bugs, and collaborating closely with the development team to resolve issues. Throughout the internship, I developed a solid understanding of different testing methodologies, including functional, regression, usability, and performance testing. I also became familiar with defect tracking tools and agile workflows, and deepened my knowledge of the Software Development Life Cycle (SDLC) and Software Testing Life Cycle (STLC). This internship enhanced my analytical thinking, attention to detail, and problem-solving skills, while giving me practical exposure to the software quality assurance process.

### Laya Tech Pvt Ltd | Chennai, Tamilnadu

#### Internship Student | 06/2024 - 07/2024

Gained in-depth theoretical knowledge of cybersecurity principles, including threat identification, vulnerability assessment, and risk management. Observed and supported cybersecurity processes and protocols, enhancing my understanding of industry best practices. Developed a strong foundation in network security concepts, incident response strategies, and security frameworks through guided mentorship and research.

## Skills

---

Java, C programming, C++, Microsoft Office, Event Planning, Event Management, Leadership Experience

## Education

---

### SRM Institute Of Science & Technology ( Deemed University) | Chennai, Tamilnadu

#### BSc Computer Science with Specialization in Cyber Security | 05/2026

## Languages

---

English, Hindi, tamil, urdu

## Certificates

---

Futura Robotics certified internship, Spark Inventive certified UI/UX, Devtown certified Cyber Security, Intern — Laya Tech Pvt. Ltd., CompTIA A+ (220-1101) – Training Course
